> The trial of Dawson and Estep', the murderers of Lee, is in progress. Messrs, Burlew and Freer, attorneys for defendants, are trying to get a change of venue, as they think they cannot have a fair trial here. The Judge will decide the metter to-morrow morning. The court-house and yard were filled all day with an excited crowd of people, mostly citizens of Campbell's Creek, where the murder was committed.

[Second Dispatch.]

The Murderers Lynched and Hung. CHARLESTON, W. VA., Jinuary 25 .- A crowd of about four bundred men entered the city to-night about 9 o'clock in small squads, and coming from every direction. They proceeded quietly to the jail, and, dered Thomas Lee about four weeks since.

While this was going on a colored speaker addressed a large crowd of negroes, and with frantic cries they rushed for the jail and took therefrom Thomas Binds, who had murdered the colored man Dooley to-day. All three murderers were taken to Campbell's creek bridge, the scene of the murder of Lee, and about three miles from here, where all three

are doubtless now hanging dead. The crowd was sober and determined. The fact that no less than five murderers were lying in jul with little prospect of a trial, and the further rumor of troops being telegraphed for from Washington, caused this speedy punishment of these murderers.

#### LATEST FOREIGN NEWS. England. LONDON MONEY MARKET.

London, January 25 .-- It is now thought on the Stock Exchange that the bank rate will be reduced on Thursday. The Times, in its financial article to-day, says : " The money market remains inactive. Business consists caleff; of loans, which yield a better profit and quicker returns than discounting bills of exchange. Consequently discount is quoted in several quarters above the actual market rate, which is not above three and one-quarter per cent. for three months' bills. The Bank of England is doing no discount business at all. The inclination of Continental exchanges continues favorable to England in consequence of large purchases of stock here for the account of Continental dealers."
